Why Buy Genuine Land Rover KIT?

**KIT: The Land Rover Retailer-fitted
vehicle accessory range engineered
specifically for Land Rovers**

Just as all Land Rover vehicles deliver outstanding on- and off-road performance, so do the extensive range of Land Rover engineering-approved accessories. As a complement to the Land Rover owner's lifestyle, these accessories are engineered to ensure seamless integration with Land Rover vehicles.

KIT has no equal — ranking above any aftermarket counterpart — when it comes to proper performance with Land Rovers. Here's why:

PREDICTIVE ANALYSIS

Using the latest predictive stress analysis methods validates the safety and durability of Land Rover KIT.

VIRTUAL ENGINEERING

Computer-Aided Design helps ensure that accessories are conceived to complement the vehicle's lines and stylish looks. This ensures the high quality of fit and finish one expects from Land Rover.

ENVIRONMENTAL

Different climates provide different challenges for these accessories. Land Rover KIT is tested under a range of climate conditions to ensure quality performance.

DURABILITY

All accessories undergo the same test plan as the vehicles themselves — rigorously analyzed far beyond the extremes of normal customer use.

RIG TESTING

Heavily integrated parts, such as roof bars, are developed and tested very early on during vehicle development to ensure seamless compatibility.

WARRANTY

KIT is covered by the same limited new vehicle warranty as your Land Rover when installed at the time of customer delivery.

WHEELS

Complement your Range Rover's appearance with a set of stunning alloy wheels. Designed and engineered to reaffirm the Range Rover aura, they provide the perfect finishing touch for your extraordinary vehicle.

19-inch 5-Split-Spoke Alloy Wheel (Rim only)
Sparkle Silver Finish — LR037742

20-inch 5-Split-Spoke Alloy Wheel (Rim only)
Sparkle Silver Finish — LR037745

21-inch 10-Spoke Alloy Wheel (Rim only)
Sparkle Silver Finish — LR037746

21-inch 10-Spoke Alloy Wheel (Rim only)
Diamond Turned Finish — LR038149

22-inch 5-Split-Spoke Alloy Wheel (Rim only)
Sparkle Silver Finish — LR037747

20-inch 5-Split-Spoke Alloy Wheel (Rim only)
Shadow Chrome Finish — LR039142

Snow Traction System
Enhance your Range Rover's traction on snowy or icy surfaces.
Available for 19-inch, 20-inch and 22-inch wheels.
LR005737

Polished Silver Finish with Land Rover Logo — LRN91630

Land Rover Logo Plates

Celebrate your Range Rover with these durable, stylish Land Rover Logo Plates that feature a domed raised medallion mounted to the plate.

Brushed Silver — LR007528

Matte Black — LR007529

CARRYING AND TOWING

An adventurous life requires the finest equipment. Augment the extraordinary capabilities of your Range Rover with carrying and towing accessories engineered to exacting standards.

Roof Rails*

Engineered and positioned for optimal weight distribution of cargo, these Roof Rails are required for all Land Rover roof-mounted accessories. (Note: Requires Roof Rail Ditch Finishers for installation.)
Load capacity: 220 lbs.
Silver Finish — VPLGR0078
Black Finish — VPLGR0079

Roof Rail Ditch Finishers*

Black (Standard Roof) — VPLGR0095
Black (Panoramic Roof) — VPLGR0097
Silver (Standard Roof) — VPLGR0094
Silver (Panoramic Roof) — VPLGR0098

Fixed Crossbars — Silver Finish*

Mount multiple accessories with these bright finish aluminum Crossbars whose aerodynamic design minimizes drag and noise. Incremental height when fitted: 3.66 inches. Requires Roof Rails (VPLGR0078 or VPLGR0079).
VPLGR0102

Luggage Box*

With power-grip mounting for quick attachment to the roof bars, this durable Luggage Box features a gloss black finish and conveniently opens from both sides. Lockable for security.
Volume: 116 gallons.
Load capacity: 165 lbs.
VPLVR0062

Sports Roof Box*

Featuring a sleek, aerodynamic design and gloss black finish, this Sports Roof Box can be mounted on either side of the vehicle and includes an internal retention system for skis and other long items. Lockable for security. Volume: 100 gallons. VPLVR0061

Sports Roof Box — Large*

Sleek, aerodynamic design. Volume: 114 gallons. VPLWR0100

Luggage Carrier

Includes a flexible rack system to adjust to your travel needs. Load capacity: 165 lbs. LR006848

Aqua Sports Carrier*

Ideal for the water sports enthusiast, this sturdy frame transports one surfboard, kiteboard, sailboard and accompanying mast, or one canoe or kayak. Load capacity: 99 lbs. VPLGR0107

Ski and Snowboard Carrier*

Easily cart up to four pairs of skis or two snowboards with this durable carrier that is lockable for security. Load capacity: 79 lbs. LR006849

*Roof Rails and Crossbars or Sports Bars are required for all Land Rover roof-mounted accessories. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio system, if fitted.

Towing Receiver Armature

Help prepare your Range Rover for situations that involve towing.

VPLGT0083

Required for installation:

Foam Blocks — VPLGT0097

Undertray and Tow Eye Cover — LR037931

Tow Strap

Includes a storage bag that can be attached as a warning flag to the strap. Does not have to be used with a winch.

Maximum load capacity: 6,615 lbs. (Not pictured.)

STC8919AA

Cargo Carrier (Hitch-Mounted)

Carry additional items and gear without compromising interior space with this 13.5-cu.-ft. storage pod. This durable container holds up to 250 lbs. and comes with tail lights and a detachable 21" x 49" tray. Requires Towing Electrics (VPLGT0074), sold separately, for installation. LR004682

Bungee Cargo Net

Ideally suited to work with the luggage carrier (LR006848), this durable cargo net enables you to tie down different-sized belongings, thanks to its flexible design. LR005083

Roof Box Garage Lift Aid

This garage ceiling-mounted pulley system allows you to lift equipment onto your Range Rover with ease. It can also be used for conveniently storing the roof box when removed from the vehicle.

VPLVR0096

Towing Electrics

Provide power and light for your trailer through your Range Rover. For use with the Drawbar (VPLGY0076) and Towing Receiver Armature (VPLGT0083). VPLGT0074

Towing Tracking Target Sticker

The Towing Tracking Target Sticker is required for vehicles fitted with the Tow Assist option. LR021589

Ratchet Strap

Secure items to your Range Rover roof rack with this Ratchet Strap that measures 16 feet, 4 inches.
CAR500010

Lashing Eye Kit

Utilize up to six additional tie-down points on your vehicle roof rails.
VUB503160

Roof-Mounted Bike Carrier*

Transport your entire bike — no disassembly required — on the roof of your Range Rover with this durable, lockable accessory.
VPLFR0091

Hitch-Mounted Bike Carrier

Transport up to four bikes with a durable rack that conveniently swings away for easy loadspace access. (Not pictured.)
LR005983

Drawbar

Expand the capabilities of your Range Rover with this Drawbar trailer hitch kit that includes a 2" tow bar, three different-sized adapt-a-balls, and a locking hitch pin.
VPLGY0076

Ski Bag

Conveniently carry up to two pairs of skis and poles (up to 70" in length) in a Land Rover-branded ski/snowboard bag. Made from durable polyester, this waterproof bag also includes a removable shoulder strap.
VPLGS0166

Towing Mirror Extension

Extend the view of your side mirrors when towing with premium towing mirrors supplied in a Land Rover-branded bag. (Not pictured.)
VPLVT0080

*Roof Rails and Crossbars or Sports Bars are required for all Land Rover roof-mounted accessories. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio system, if fitted.

INTERIOR

With its impeccable features and intuitive ergonomics, your Range Rover stands alone as the world's premier luxury SUV. Complement its exquisite interior with accessories designed to provide the finest personal touches.

Illuminated Tread Plates
Add an attractive touch of welcoming style to your vehicle with brushed aluminum tread plates that illuminate the words "Range Rover" when either door is opened. Available July 2013. VPLWS0208

Sports Pedals
Add an energetic feel to the interior of your Range Rover with striking Sports Pedals. VPLGS0160

Sunshade
Keep your Range Rover interior cooler while shielding it from UV sunrays with this handy, lightweight interior Sunshade. VPLFY0070

NEW - Gearshift Paddles - Aluminium
 Gearshift Paddles offered in high grade aluminium which is machine polished, anodised and hand brushed to provide exceptional wear resistance with a premium finish. Billet machined from solid aluminium.
 VPLVS0187MMU

Collapsible Cargo Carrier
 This handy carrier keeps items contained during transport while its dividers provide added convenience and organization.
 EEA500050PVJ

Coat Hanger
 Made from rounded chrome metal, this Land Rover-branded hanger easily attaches to the back of the front-seat headrest so you can keep your clothes looking sharp.
 VPLVS0167

Load Retention Net
 This handy net helps prevent items from shifting in the loadspace of your Range Rover during your travels.
 VUB000700

Seat Back Storage
 Conveniently store small items — and easily access them — from the back of your Range Rover front seat.
 Standard — VPLVS0181
 Premium — VPLVS0182

Loadspace Rubber Mat

With its non-slip surface, this waterproof Range Rover-branded mat helps protect the loadspace carpet from dirt and other debris. (Requires D Ring removal from Loadspace Rails.)
VPLGS0151

Loadspace Rails and D Rings

Enhance the cargo-carrying versatility of your Range Rover loadspace with these mounted rails. Required for the Luggage Retention Kit (VPLGS0171).
VPLGS0170

Luggage Retention Kit

This packet features attachments that quickly lock to — and release from — the loadspace rails to provide flexible stowage options in your Land Rover. Requires Loadspace Rails and D Rings (VPLGS0170).
VPLGS0171

Semi-Rigid Loadspace Protector

This waterproof, Range Rover-branded rubber mat helps shield your loadspace from dirt and other debris. Features a raised lip on three sides to protect sidewall carpets.
VPLGS0152

Cargo Barrier — Full Height

Keep cargo and animals in the rear of the vehicle separate from the passenger compartment with this barrier that also incorporates an integral ski hatch.
VPLGS0162

Rubber Floor Mats

Shield the floor of your Range Rover from water, mud and the elements with durable rubber mats.
VPLGS0150

Waterproof Seat Covers

As you pursue adventure, help protect your vehicle's seats with waterproof covers tailored for your Range Rover. These durable seat covers are:

- 100% nylon
- Impervious to mud, oil, water, suntan lotion and muddy paws
- Fire-retardant
- Washable

Front (Almond) — VPLGS0154SVA

Front (Jet) — VPLGS0154PVJ

Rear (Almond) — VPLGS0155SVA

Rear (Jet) — VPLGS0155PVJ

Drive Select Rotary Shifter

Red Finish — VPLVS0180

Silver Finish — VPLSS0142

Leather Top Cover (required) — VPLSS0143

TOURING & TECHNOLOGY

From protective/maintenance items to convenient holders, Range Rover Touring accessories are ready when you need them.

iPad® Holder

Mount your iPad to this Land Rover-branded holder that attaches to the Range Rover headrest posts and features a quick-release design. Your iPad can be displayed in either a portrait or landscape format, and the holder allows easy access to all ports and controls.

Style 1 (fits iPad 1) — VPLVS0164

Style 2 (fits iPad 2 onward) — VPLVS0165

Car Cover

Shield your Range Rover from rain, snow, dust and other elements with a durable Car Cover that stores easily when not in use.

LRK70500

Rechargeable Flashlight

To assist you when unexpected circumstances arise.

VPLVS0174

White Fire Headphones

Enjoy this additional set of headphones for your Land Rover rear seat entertainment system.

LR038817

Golf Umbrella Holder

Conveniently store an umbrella behind the rear seat of your Range Rover.
VPLGS0153

Loadspace Security Box

Made from steel and employing a tough anti-drill lock, the security box provides space for laptops (up to a 15" screen) with case, or other similar-sized items. Attaches to the Loadspace Luggage Floor Rails.
VPLVS0183

Electric Cool Bag

Keep items fresh in this 14-quart Electric Cool Bag featuring thermostat-controlled temperature. Powered by a 12-volt auxiliary socket, it includes an easy-to-clean interior surface. Measures 14" tall x 14" long x 8½" wide.
VUP100140L

Umbrella Holder

By mounting in the passenger footwell, this Umbrella Holder conveniently houses a small, telescopic umbrella (not supplied). Note: Only available for electrically adjustable seats.
VPLVS0186

IN SUPPORT OF

At Land Rover, we do this by investing in four key areas:

e_TERRAIN® TECHNOLOGIES. EFFICIENT POWER SYSTEMS, LIGHTWEIGHT STRUCTURES, REDUCED EMISSIONS

A joint \$1.3 billion investment into new technologies designed to reduce CO₂ emissions and improve fuel consumption. We are targeting a 25 percent reduction in joint fleet average tailpipe CO₂ emissions by 2015 as part of our carbon management plan. The all-new Range Rover Evoque and LR2 vehicles include innovative stop-start technology (on the diesel manual gearbox) and Intelligent Power Systems Management (IPSM) with regenerative braking, just two examples of e_TERRAIN® TECHNOLOGIES that reduce our vehicles' carbon footprint. What's more, Land Rover's Adaptive Dynamics System constantly monitors vehicle performance to enhance driving and emissions efficiencies.

FACT

We will use lifecycle assessment to understand the environmental impact of our vehicles, including the use of e_TERRAIN® TECHNOLOGIES, beginning with Range Rover Evoque.

SUSTAINABLE MANUFACTURING. USING FEWER RESOURCES AND CREATING LESS WASTE

World-class manufacturing facilities, certified to ISO14001 since 1998. As a company, we are targeting a 25 percent reduction in operating CO₂ emissions by 2012, 25 percent in waste-to-landfill and 10 percent in water consumption, based on 2007 levels. Our activities include factory energy efficiencies, cutting transport miles and the carbon offset of all CO₂ emissions from manufacturing assembly. But it doesn't stop there. Every new vehicle is designed to be 85 percent recyclable and reusable as well as 95 percent recoverable and reusable, with 10 percent specifically for energy recovery.

FACT

Turning waste food into energy in a trial at Land Rover headquarters has diverted 43 tons of waste from landfills and saved 3.7 tons of CO₂ emissions.

CO₂ OFFSETTING. INVESTING IN RENEWABLE ENERGY, TECHNOLOGY CHANGE AND ENERGY EFFICIENCY PROJECTS

For every ton of CO₂ emitted during the manufacturing assembly of our vehicles, Land Rover invests in carbon-reduction projects that reduce an equivalent ton of CO₂ elsewhere. In addition, we enable our customers to offset their first 45,000 miles (72,000 km) of driving in their new vehicles. We do this in the UK as well as countries in Europe, the Middle East and Asia. Independently administered by ClimateCare and Forum for the Future, CO₂ offsetting allows us to take action now, to reduce our impact on the environment, as part of our integrated carbon-management plan.

FACT

We plan to offset approximately 3,000,000 tons of CO₂ emissions by 2012.

CONSERVATION AND HUMANITARIAN PARTNERSHIPS. WORKING PARTNERSHIPS FOR CONSERVATION AND SOCIETY'S GAIN

Our vehicles are designed for purpose, so they are used by conservation and humanitarian organizations worldwide. Working with our five Global Conservation partners and the International Federation of Red Cross and Red Crescent Societies (IFRC), Land Rover is proud to support the important work of the Royal Geographical Society (with IBG), The Born Free Foundation, Earthwatch Institute, Biosphere Expeditions, and the China Exploration and Research Society.

FACT

In 2010, Land Rover launched a new three-year global initiative with the IFRC titled "Reaching Vulnerable People Around the World." Land Rover has supported the IFRC's life-saving work since 2007 and to date has given more than \$6.5 million in vital funding and vehicle support to help vulnerable people around the world.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. Although Land Rover takes the utmost care in ensuring that all details in the publication are correct at the time of going to press, we are constantly striving for improvement and therefore reserve the right to alter specifications and equipment without notice. Details of specifications and equipment are also subject to change to suit local market conditions and requirements, and not all products are available in every market. Some vehicles are shown with accessories or optional equipment fitted. These products vary from market to market. Please consult your Land Rover Retailer, who will be pleased to advise you on current specifications. Distributors and Retailers are not agents of Land Rover and have absolutely no authority to bind Land Rover to any express or implied undertaking or representation. www.landrover.com

Genuine Land Rover KIT assures confidence

Land Rover would like to remind you that accessories that are non-genuine Land Rover are not warranted by Land Rover North America and may not be serviceable at other Land Rover Retailer Centers. If your Land Rover Center or sales guide offers you non-genuine Land Rover parts or accessories, we recommend finding out whether they have a warranty, where they can be serviced, and what company provides these warranties and service.

Please recycle this brochure after use.
